

Sequencing

Grade 1 Comprehension Worksheet

A **sequence** is what happens *first*, *next* and *last*.

Can you put these events in order? Read or listen to these sentences. Then write 1 by what happened *first*, 2 by what happens *next* and 3 by what happens *last*.

1. What happened *first*, *next* and *last*?

1,2 or 3?

Theresa's teacher said the butterfly was pretty.	
Theresa gave her picture to her teacher.	
Theresa drew a picture of a butterfly.	

2. What happened *first*, *next* and *last*?

1,2 or 3?

Jenna watched the squirrels play in the park.	
Jenna's mom took her to the park.	
At home, Jenna drew a picture of the squirrels.	

3. Think about your mornings before school. What normally happens *first*, *next* and *last*? Write or draw pictures in the boxes below.

First	
Next	
Last
