

Read and recall: Messy bedroom

Grade 2 Passages Worksheet

Read the passage 3 times. Check a box each time you read.

Last Saturday, my bedroom was really messy! First, I picked up all my toys and put them back in the toy box. Next, I made my bed. I pulled up the sheets and my blanket. Then, I put all my dirty clothes into the laundry basket. Lastly, I used a little broom to sweep the floor. My room looked so clean and nice after! I was proud of my hard work.

Then write a number below each picture to show the correct order.
