

Who, what, when, where and why

Grade 1 Reading Worksheet

Identifying the 5Ws—**who**, **what**, **when**, **where**, and **why**—can help you understand the most important parts of a story.

One very windy Saturday, Charlotte wore her favorite blue hat to the park. She ran around, played on the swings and went down the slide. All of a sudden, though, she realized that her hat was gone!

Charlotte searched all around. She looked by the slide and the swings. Then she looked up and saw that her hat was stuck in a small tree nearby. She laughed, reached up and grabbed it. She then put it in her backpack so she could wear it another day when it's a little less windy!
