

Cursive passages: Stars

Cursive Writing Worksheet

Trace and copy the passage:

In the sky, you can see the sun, stars and the moon. The sun is up during the day. It is very hot. The sun gives us light and heat. Plants need the sun to grow. We can see the stars at night. They give off light and heat, like the sun. That is because the sun is a star too! There are more stars than we can count.
