

Basketball line graph

Data and Graphing Worksheet

Ken and Rey recorded the time they spent playing basketball for 6 days. Draw a line graph using the data.

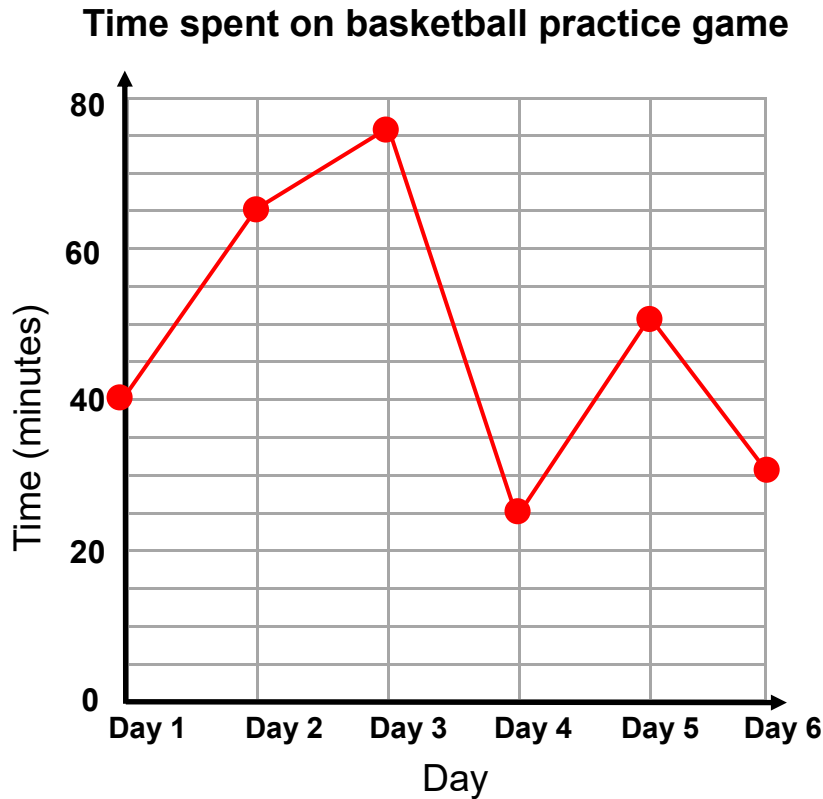

Day	Time (minutes)
Day 1	40
Day 2	65
Day 3	75
Day 4	25
Day 5	50
Day 6	30

- Which day did they spend the most time playing basketball?
- From day 4 to day 5, did the amount of time increase or decrease?
- How many more minutes did they spend on day 1 and day 2 than day 5 and day 6?
- How many days did they play at least 40 minutes?
- What is the least time spent playing on a day?

Answers

Day	Time (minutes)
Day 1	40
Day 2	65
Day 3	75
Day 4	25
Day 5	50
Day 6	30

Which day did they spend the most time on playing basketball?

Day 3

From day 4 to day 5, did the amount of time increase or decrease?

Increase

How many more minutes did they spend on day 1 and day 2 than day 5 and day 6?

25 minutes

How many days did they play at least 40 minutes?

4 days

What is the least time spent playing on a day?

25 minutes
