

Sequencing

Grade 1 Comprehension Worksheet

A **sequence** is what happens *first*, *next* and *last*.

Can you put these events in order? Read or listen to these sentences. Then write 1 by what happened *first*, 2 by what happens *next* and 3 by what happens *last*.

1. What happened *first*, *next* and *last*?

1,2 or 3?

Mae tried on three pairs of shoes.	
Mae's mom took her to the shoe store.	
Mae picked out one pair to buy!	

2. What happened *first*, *next* and *last*?

1,2 or 3?

Matt's dad bought Matt a fishing pole.	
Matt caught two fish.	
Matt and his dad went fishing.	

3. Think about your afternoons after school.
What normally happens *first*, *next* and *last*?
Write or draw pictures in the boxes below.

First	
Next	
Last
