

Text connections

Grade 1 Reading Worksheet

When you make a **connection** to a text, you think about how it reminds you of something in your life.

First, read or listen to the story.

Gabe loves reading bedtime stories with his mom. Every night, after he brushes his teeth and puts on his pajamas, he picks out two books before climbing into bed. His mom then sits on the side of his bed and reads to him!

Tonight, they read a book about pirates. After that, they started a book about aliens. It was very long, though, and Gabe's mom said they would have to finish it tomorrow. Gabe wanted to keep reading, but he knew it was late. He used a bookmark to save his place, and they'll keep reading it tomorrow night!

Then, think about how the story connects to your own life. Draw and write to finish the sentences.
