

Sequencing

Grade 2 Comprehension Worksheet

A **sequence** is when you put things in order, starting with the first thing and ending with the last thing.

1. Put these stories in order! Write “1” next to what happened first, “2” next to what happened second and so on.

1, 2, 3 or 4?

She got dressed and went to the kitchen.	
Hannah woke up early in the morning.	
After eating, she brushed her teeth.	
Hannah ate pancakes for breakfast.	

1, 2, 3 or 4?

Matt made a small ball and added it on top for the head.	
Matt rolled a big ball of snow for the bottom of his snowman.	
He gave the snowman a carrot nose and button eyes.	
He made a smaller ball for the middle and put it on top of the big ball.	

2. Think about what happens when you get to school in the morning. Write four of the main events in order!

First, _____

Then, _____

Next, _____

Last, _____

Answers

1. Put these stories in order! Write "1" next to what happened first, "2" next to what happened second and so on.

1, 2, 3 or 4?

She got dressed and went to the kitchen.	2
Hannah woke up early in the morning.	1
After eating, she brushed her teeth.	4
Hannah ate pancakes for breakfast.	3

1, 2, 3 or 4?

Matt made a small ball and added it on top for the head.	3
Matt rolled a big ball of snow for the bottom of his snowman.	1
He gave the snowman a carrot nose and button eyes.	4
He made a smaller ball for the middle and put it on top of the big ball.	2

2. *Answers will vary.*
