

Grade 4 Writing Worksheet

Write a story about a time when teleportation is invented, but it always takes people to the wrong place! Explain at least three instances when it worked incorrectly. Your story should include lots of sensory details to make the reader feel like they are there. It should be written in third person.

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
