

Drawing conclusions

Grade 2 Comprehension Worksheet

Drawing conclusions means figuring something out for yourself. To draw conclusions, you need to think about what makes the most sense.

Put a ✓ next to the conclusion that makes the most sense.

1. A man walked into the room wearing a white coat. A patient was sitting on the table. The man listened to the patient's heartbeat, looked at his throat and asked some questions. This probably means that:

- ☐ The man is a teacher.
- ☐ The man is a librarian.
- ☐ The man is a doctor.

2. The bird hopped around on the grass. It picked up a piece of string and carried it up into a tree. It then flew back down, picked up a twig and carried that back to the tree too. All morning, the bird carried twigs and bits of paper and string up into the tree. This probably means that:

- ☐ The bird is playing a game.
- ☐ The bird is taking food to its babies.
- ☐ The bird is building a nest.

3. Jordan bounced the ball as he ran toward the hoop. He jumped up and tossed the ball. It went through the net, and his friends cheered. Jordan smiled and got ready to play again. This probably means that:

☐

Jordan is playing basketball.

☐

Jordan is playing soccer.

☐

Jordan is playing video games.

4. Mrs. Wang looked at the plant in the window. Its leaves were drooping. It looked a little less green than before! She also saw that the dirt in the pot looked very dry. Mrs. Wang went to get her watering can. This probably means that:

5. The sun was shining brightly, and there were no clouds in the sky. Jenna wiped her forehead because she was sweating! She took a sip of water from her bottle and sat down in the shade under a tree. This probably means that:

Answers

1. The man is a doctor.
2. The bird is building a nest.
3. Jordan is playing basketball.
4. Accept "*The plant needs to be watered*" or any other reasonable answer.
5. Accept "*It is a really hot day*" or any other reasonable answer.
